

Welcome to Coding @ Cogaan!

whoami

 Coding Lead, Cogaan Club

 Tech tinkerer with a passion for FOSS

 Loves exploring tech that makes an impact

 **Email:** harshith@nothr.in

 **Matrix:** @not0hr:frei.chat

Why FOSS (Free and Open Source Software)?

- **Learn:** Access to real-world code and projects
- **Collaborate:** Work with a global community
- **Create:** Build software without limitations

What You'll Gain in Cogaan

- **Practical Skills:** Hands-on coding sessions
- **Real Projects:** Work on FOSS and open-source projects
- **Mentorship:** Support from experienced members

Our Mission @ Cogaan

- **Teach:** Start from the basics and build up
- **Contribute:** Guide you in contributing to FOSS projects
- **Grow:** From 'dumb' to **developer** – everyone has potential!

What's Next?

- Weekly coding sessions
- Workshops on FOSS tools and technologies
- Opportunities to contribute to exciting projects

Let's Learn, Code, and Contribute Together!
